

LIST OF REFEREED PAPERS

THEME 1: COMPETITIVENESS, PRODUCTIVITY AND PERFORMANCE

Refereed Journals

Bon, R. and Hutchinson, K. (2000) Sustainable construction: Some economic challenges, *Building Research and Information*, **28**(5-6), 310-314

Flanagan, R. and March, L. (2000) Measuring the costs and benefits of using information technology in the construction sector, *Engineering, Construction and Architectural Management*, **7**(4), 423-435.

Gray, C. and Green, L. (2000) Simulation models enhanced by expert systems for concurrent engineering in Construction, *Computer Integrated Design and Construction*, **2**(1): 54-68.

Bon, R. (2001) The future of building economics: A Note, *Construction Management and Economics*, **19**, 255-258.

Bon, R. and Crosthwaite, D. (2001) The future of international construction: Some results of 1992-1999 surveys, *Building Research and Information*, **29**(3), 242-247

Green, S. D. (2001) Towards an integrated script for risk and value management, *International Project Management Journal*, **7**(1), 52-58.

Hew, K. P., **Fisher N.** and Awbi H. (2001) Towards an integrated set of design tools based on a common data format for building and services design, *Automation in Construction*, **10**(4), 459-476.

Green, S. D. (2002) The human resource management implications of lean construction: critical perspectives and conceptual chasms, *Journal of Construction Research*, **3**(1), 147-166.

Green, S. D. and **May, S.C.** (2003) Re-engineering construction: going against the grain, *Building Research and Information*, **31**(2), 97-106.

Green, S. D. and **May, S. C.** (2005) Lean Construction: arenas of enactment, models of diffusion and the meaning of 'leanness', *Building Research and Information*, **33**(6), 498-511.

Gruneberg, S. (2005) Migrant construction workers before and after EU expansion report on a seminar held at the University of Reading, 26th November 2004, *Construction Labour Review*, **4**, 52-54.

Gruneberg, S. (2005) UK Construction Orders and Output: A Comparison of Government and Commercially Available Data 1995-2001, *Journal of Financial Management of Property and Construction*, **10**(2), 83-93.

Huang, C. and **Fisher, N.** (2005) An alternative methodology for selecting enterprise resource planning systems, *International Journal of Construction Management*, **5**, 39-57.

Larsen, G. D. (2005) Horses for courses: Relating innovation diffusion concepts to the stage of the diffusion process, *Construction Management and Economics*, **23**(8), 787-792.

- Larsen, G. D. and Ballal, T. M. A.** (2005) The diffusion of innovations within a UKCI context: An explanatory framework, *Construction Management and Economics*, **23**(1), 81-91.
- Lowe, D. J. and **Leiringer, R.** (2005) Commercial management in project-based organisations, *Journal of Financial Management of Property and Construction*, **10**(1), 4-18.
- Fernie, S., Leiringer, R.** and Thorpe, T. (2006) Rethinking change in construction: a critical perspective. *Building Research and Information*, **34**(2), 91-103
- Liyin, S., **Lu, W.** and Yam, C.H.M. (2006) Contractor key competitiveness indicators (KCIs): A China study, *Journal of Construction Engineering and Management*, ASCE, **132**(4), 416-424.
- Ewenstein, B. and **Whyte, J.**¹ (2007) Beyond words: aesthetic knowledge and knowing in design, *Organization Studies*, **28**(5), 689-708.
- Ewenstein, B. and **Whyte, J.** (2007) Picture this: visual representations as artefacts of knowing, *Building Research and Information*, **35**(1), 81-89
- Gray, C. and Davies, R. J.** (2007). Perspectives on experiences of innovation: the development of an assessment methodology appropriate to construction project organizations, *Construction Management and Economics*, **25**(12), 1251-1268.
- Gray C.** and Al-Bizri S, (2007) Modelling trade contractor information production, *Architectural Engineering and Design Management*, **3**, 39-48
- Green, S. D.** and Lui, A. M. M. (2007) Theory and practice in value management: a reply to Ellis et al. (2005), *Construction Management and Economics*, **25**(6), 649-659.
- Flanagan R, Lu, W.,** Shen, L. and **Jewell, C.** (2007), Competitiveness in construction: a critical review of research, *Construction Management and Economics*, **25**(9), 989-1000
- Harty, C.,** Goodier, C., Soetanto, R., Austin, S. Dainty, A. and Price, A.D. F. (2007) The futures of construction: a critical review of construction future studies, *Construction Management and Economics*, **25**(5), 477-493.
- Luck, R.** (2007) Learning to talk to users in participatory design situations, *Design Studies*, **28**(3), 217-242.
- Luck, R.** (2007) Using artefacts to mediate understanding in design conversations, *Building Research and Information*, **35**(1), 28-41.
- Radosavljevic, M.** and Horner, R. M. W. (2007) Process planning methodology: dynamic short-term planning for off-site construction in Slovenia, *Construction Management and Economics*, **25**(2), 143-156.
